Health Break

As you know, I have been sick more than once recently. I don't seem to be getting back on my feet the way I'd normally expect, and so after some thought I've decided to take a little break from doing Groklaw, just until I get my strength back. I don't think I can do both at the same time.

I can't predict exact dates, because what I really need is a real vacation and time to just do nothing until I fully am myself again. I've done almost 3,000 articles on pretty much a daily basis, with a lot of time stress, since mid-May of 2003, and I think I'm a bit worn out, between SCO and the ODF thing.

So I hope you'll forgive me while I kick back, put my feet up, and snooze a while. I'll be back as soon as I can. I love doing Groklaw. Meanwhile, you can post here as usual, and if you run out of space, Mathfox will give you more. I know you know the ground rules, and I'll see you as soon as I can. Then I'll hop back on my horsie and we'll start galloping forward again.

Love, PJ
